MISCELLANEOUS: At time of arrival please give sale management a list of the cattle sorted by groups the way you want them sold and their ear tag numbers. It does not matter how you load your trailer. Sale management will sort the cattle into their pens when unloaded.

Consignor checks will be mailed within 15 business days of the sale. Names and addresses of buyers of your cattle will also be mailed with the sale proceeds check. We hope to have a great sale, but as always, it will help if you contact your customer base and let them know about the sale and what you are consigning. Have your cattle in great shape and FAT. Good condition always results in higher premiums for your cattle.
